Mending Broken Hearts healing from unresolved grief & inter-generational trauma Training of Facilitators

A training for caring adults seeking to learn and share Mending Broken Hearts' culturally-based approach to healing unresolved grief and inter-generational trauma. Participants learn problem-solving tools and cultural capacity-building skills with a variety of program activities. This training provides the opportunity for increased sense of community, confidence and identity, as well as, support for participants to succeed in their own journey in life.

"The Elders have told us that in order to heal, we must forgive. They said that we are carrying around trauma handed down to us from generations before, from one generation to the next, and we don't know it. Forgiveness is the pathway to getting rid of this trauma and the hate."

Don Coyhis (Mohican)
